Dear General Budi Waseso,

Thank you very much for the National Narcotics Board Republic of Indonesia (BNN)'s letter dated 31 August 2016 and your interest in exchanging information with the Mae Fah Luang Foundation (MFLF) on Thailand's efforts in addressing the opium cultivation problem. The MFLF is honoured to receive your delegation's study visit to the Doi Tung Development Project, Chiang Rai, on 14 September 2016 and I would be honoured to meet with Your Excellency on 15 September afternoon in Bangkok.

Indonesia has been our long-standing friend and we greatly look forward to welcoming Your Excellency and delegation.

Yours sincerely,
