제 목 Cooperation Request for field trip by Social Economy
Leadership Course

Social Economy Leadership Course of Hanyang University Graduate school of International Studies plans to visit Thailand and study the movement of social economy in Thailand. Therefore, our school requests each recipient's cooperation for this field trip.

1. Schedule Request for the visit: January 26th, 2016 Morning time (10-12)

2. Introduction of Social Economy Leadership Course: The course is called 'Social Economy Leadership Course', a mini MBA run by Hanyang University. The mission of the course is to nurture talents in social economy field and make bigger impact through this talent network. There are 30 competent SE leaders who work in NPO, cooperatives, SE, government office and corporate CSR team. We study social economy policy, social investment and international cooperation. Among 30 students, 18 people will participate in January field trip.

Attachment : Thailand Social Economy Field Trip-Participants. The End.
