Dear Prof. Toku,

It's a pleasure to hear from you again. Hope all is well. What a great news to hear that we'll be receiving another Fujitsu's group again this year. I also cc on this email my manager in charge of study visit program, Ms. Natworarat so that Mr. Jin can coordinate with her directly.

Looking forward to seeing you and the group in December.

Best regards,

Dear Whan,
How are you doing? I hope you are having a nice summer season and holidays.
Fujitsu has decided to have GWP this year again, and we want to have a study tour to Doi Tung again with 10 or so group of people just like last year.
Could you arrange as such for us again?
The manager in charge at Fujitsu is Mr. Jin, same person as last year.
He will contact you on details soon.
The visit will be early December.
Please kindly handle it for us.
I'm looking forward to seeing you again.
Best regards,
Toku

Dear Ms. Natworarat,
*I added my colleague Benjamin and Akira to CC list.

Hello, my name is Hidetoshi JIN. I'm a senior manager at Fujitsu University and in charge of our leadership training programs.

Thank you very much for your cooperation, Natworarat-san.
I am very happy to have an opportunity to visit Doi Tung again.
I strongly believe the experience in Doi Tung will be a precious treasure for our training participants.

Though we haven't booked any flights so far, I want to share my current plan with you.

- Number of the participants : 15 max
12 GWP participants + 2 Fujitsu staff + Prof. Toku
- Arrival at Doi Tung
4th December (Sun)
- Departure to Bangkok
6th December (Tue) night, or 7th (Wed) morning

Again, the number of the participants and the schedule are tentative.
I am going to contact our travel agency soon.
But, first of all, I'd like to confirm if you can accept this schedule.

Best regards,
Hidetoshi JIN
