

Laboratory of Industrial Economics
Faculty of Economics, KEIO UNIVERSITY

Dear, Deputy Chief Executive Office, Mae Fah Luang Foundation,

9/August/2016

My name is Kohei Mishima, I am from the faculty of economics at Keio University in Japan. Thank you very much to Mr. Issarest Weeraprajak and Mr. Rath Posakrisna for teaching us when we visited Mae Fah Luang in April 2016.

We study the development of industries in the developing countries, international business and innovations at the faculty of economics. We found out that Mae Fah Luang is contributing greatly on poverty reduction and activating economy for rural areas. Therefore we started to think that we would like to know and research more about the works at Mae Fah Luang.

I am very sorry to trouble you, but we would like to visit Mae Fah Luang to research. The following are the details. Please take this into consideration.

1. The Aim for visiting Mae Fah Luang
 - a. To understand the philosophy of reducing the poverty in Thailand
 - b. To research the supply chain and the workers for coffee in Thailand
2. The Activities we would like to do
 - a. Visiting the office in Bangkok to understand the overview about Mae Fah Luang
 - b. Visiting the coffee factories in Chiang rai to see the careful selections
 - c. Visiting the coffee farms around the factories in Chiang rai to interview the workers
