

ROYAL BHUTANESE EMBASSY BANGKOK

Ambassador
RBE/BKK/TH-14/180

15th June 2017

Your Serene Highness,

May I take this opportunity to express our deep appreciation for the support extended by the Royal Project Foundation towards enhancing horticulture, orchard management and agriculture research in Bhutan. The Royal Projects of His Majesty the late King Bhumibol Adyuladej is a perfect example of His Majesty's extraordinary efforts in improving the lives of the Thai people, especially the poor.

In order to observe and learn from the success of the Royal Projects, the officials of the Embassy would like to visit the Royal Agricultural Station in Angkhang on 23rd June 2017 and the Royal Development Project in Doi Tung on 25th June 2017. The Embassy is in touch with the respective Royal Project Offices in coordinating the visit. A copy of the program is attached for Your Highness's kind reference.

It also gives me great pleasure to inform Your Serene Highness that the Royal Bhutan Flower Exhibition, which was held from 4 –11 June 2017 was very successful. This would not have been possible without the active support of the Royal Project Foundation and we would like to thank everyone who were involved.

Please accept, Your Serene Highness, the assurances of my highest esteem and considerations.

Respectfully,

(Tshewang C. Dorji)

His Serene Highness Prince Bhisatej Rajani,
Hon'ble Chairman,
Royal Project Foundation,
Thailand.
